JOIN DFI FOR 'Financial Resolutions' on Jan. 28
Event Continues 'Boomers to Zoomers: Building a Secure Path to Retirement' Series

The Kentucky Department of Financial Institutions (DFI) is partnering with the Investor Protection Trust, Detroit Public Television and PBS Books to produce **"Financial Resolutions: Sowing the Seeds for a Bountiful Retirement"** on Friday, Jan. 28, 2022, at 1 p.m. ET.

The event will livestream on Facebook at <https://fb.me/e/2Rb3d1Uvw>.

The new year is a chance to turn over a new leaf and set powerful financial resolutions. From boosting your budget -- to investing in diverse accounts, building a secure future always begins with a solid foundation. Whether you're a newcomer, or a retiree, learn how to set financial resolutions that will sow seeds for a bountiful harvest.

Hear from top fiscal authorities, including:

- award-winning writer Michelle Singletary, whose nationally syndicated column "The Color of Money" appears in *The Washington Post* twice weekly;
- financial educator Matthew Roling; and
- journalist Kim Lankford who answers hundreds of readers' financial questions every month about insurance, taxes, retirement, college saving, health care, and more through her long-running "Ask Kim" column featured in *Kiplinger's Personal Finance Magazine* and Kiplinger.com.

After the live event, a recording will be available on DFI's website at https://kfi.ky.gov/newstatic_Info.aspx?static_ID=643, along with links to tools and resources for savers and investors of all ages and at all stages of life.

This is the eleventh in a series of 12 *Boomers to Zoomers: Building a Secure Path to Retirement* virtual events.

###

DFI, <http://kfi.ky.gov>, is an agency in the Public Protection Cabinet. For more than 100 years, it has supervised the financial services industry by examining, chartering, licensing and registering various financial institutions, securities firms and professionals operating in Kentucky. DFI's mission is to serve Kentucky residents by promoting access to a stable financial industry, implementing effective and efficient regulatory oversight, enforcing consumer protections, encouraging economic opportunities and encouraging sound financial decisions through financial empowerment programs.
