BACKGROUND AND FACTUAL FINDINGS

1. The commissioner of the Department of Financial Institutions (Department) is charged with administering the provisions of Chapter 286.8 of the Kentucky Revised Statutes, the Mortgage Loan Company and Mortgage Loan Broker Act.

2. Apex Lending, Inc. (Apex) is a mortgage loan broker that became licensed with the Department on January 17, 2007. The principal office of Apex is located at 10300 49th Street North, Clearwater, FL 33762.

3. On January 15, 2008, an examiner for the Department conducted an examination of Apex to determine whether: (1) it was in compliance with applicable laws and regulations; (2) its practices and policies had an adverse impact on prospective borrowers; and (3) it was being operated efficiently, fairly, and in the public interest.

4. That examination revealed that three individuals employed by Apex originated three loans in Kentucky while not registered as loan officers with the Department in violation of KRS 386.8-255(1). Each of the three loans was originated after July 1, 2004.

5. In response to the findings of the examination, Apex indicated that it has a system in place which is intended to limit an employee's access to originate loans only in states in which the employee is licensed to do so and the violations cited during the examination were not intentional.
